2014年12月20-22日,由国际机器人及智能装备产业联盟、亚洲制造业协会和中国科技产业化促进会主办的2014世界机器人及智能装备产业大会暨国际机器人及智能装备产业博览会在四川成都成功举行。来自瑞士、美国、德国、英国等全球机器人行业的权威专家和企业共同上演了一场机器人及智能装备行业的饕餮盛宴。

2014 World Robotics and Intelligent Equipment Industry Conference & Exhibition was held successfully in Chengdu, Sichuan Province at December 20-22, by International Robotics and Intelligent Equipment Industry Alliance and Asian Manufacturing Association. Many authoritative experts and famous enterprise representatives in the robotics field from all around the world presented to this distinguished event.

智能潮流 顶级展示 Top Robotics Show

此次展会集合了国内外机器人及智能装备龙头企业,并展示了最新产品和解决方案,更是引领了智能装备产业的潮流,成为技术与投资的新风向标。

The leading robotic enterprises home and abroad gathered in this exhibition and presented the latest products and technology. This exhibition has led the latest trend in intelligent equipment industry and become weather vane of technology and invest in the robotics field.

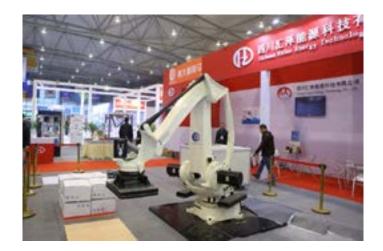

首届展会汇聚了众多机器人及智能装备行业的国际领先品牌。首届展会展览面积突破1万平,参展企业80余家,国内外多家知名机器人企业悉数到场,广州数控、重庆机器人(长沙长泰)、上海高威科,大连光洋,巨轮股份,广东嘉腾等更是作为国内行业标杆,展出了最新产品和技术。瑞典海克斯康、KUKA、Couma等国外机器人企业也纷纷携新品亮相。

The first exhibition area is over 10,000 sqm. There are more than 80 exhibitors from robotics and intelligent equipment industry home and abroad, for example, GSK, GO-WELL, GONA(Dalian Guangyang Science Group Co.,Ltd), Chongqing Robotics and Automation Company, Greatoo and so on. Many famous foreigner companies also sent their commercial agent to show their new product such as Hexcon, Kuka, Couma.

本次展会辐射工业机器人整机及机械手臂、数控机床、AGV智能搬运设备、3D打印机等工业设备,以及水下机器人、智能排爆机器人等特种机器人。本次展会特设机器人展示体验区,餐厅服务机器人、迎宾机器人、代步机器人、机器人跳舞等各显神通,吸引众多专业买家驻足研究和观赏。

Exhibits range from industrial equipment such as industry robot, machine tool, AGV, 3D printing machine and special robot such as underwater robots and EOD robot. There are all kinds of service robots who can dance, greet, write, which are the highlight of this exhibition and attract much attention of visitors.

科技互动 专业采买 Analysis of Visitors

在展商火热参与展会的同时,观众更是体现出了极为罕见的参观热情,共计 23000 余名专业观众参观了为期三天的展会。第一天观众达到 41%,第二天为 35%,第三天为 24%。来自机器人及智能产业制造加工企业的参观人员达到了 62.02%,与产业相关的设计院及科研院所占到了 16.74%,投资贸易类占到了 11.24%,协会、政府部门占到 6.21%。其中在专业加工企业中,机械制造企业观众最多,占到 43.26%,轻工生产达到了 16.97%,IT、电子、生物医药、航空航天等高科技企业的观众达到了 16.57%。

参会观众具有决策权的占到了60.44%,他们具有企业采购、招商引资、产品开发等能力,专业人员为27.3%,如此高比例的行业专业人员的到来,更加奠定了展会专业化的基础。此次展会为观众提供了广阔的交流合作平台,其中具有采购订货意向的观众占到总观众的三分之一,怀有寻求技术、解决方案等合作机会和代理产品的目的的观众也占到了三成,招商引资占到12%,其他5.26%观众对下届展会的举办极为感兴趣,92%的观众表示希望通过手机、电邮等个人通讯方式获得展会的相关信息,并积极参与到展会活动其中。

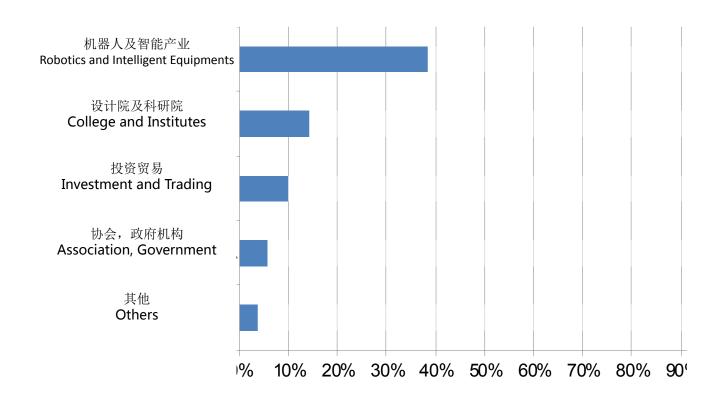

In three -days exhibition, the number of visitor exceed 23,000 in account. More than 60% visitors are from robotic and intelligent equipment industry. People from college and institutes account for 16%. Around 11% visitors from invest institutes visited this exhibition to find better projects. In addition, some government and organizations dispatched representatives attended this exhibition. In the industry group, around 40% visitors are from processing and manufacturing companies. Others visitors are from advanced technology industry such as IT, electronic, bio-medical and aerospace.

More important, over 60% of visitors are decisions-maker who are capable of purchasing and investing and researching. Most visitors are looking forward to the next exhibition and hope to attend such conference and exhibition in the future.

2014世界机器人及智能装备产业大会与展会同期举办。四川省、成都市领导为论坛开幕致辞,第十届、第十一届全国政协副主席张梅颖出席本次大会并发表演讲。中国航空工业集团公司董事长、亚洲制造业协会主席林左鸣出席本次大会并巡展。

在为期两天的论坛中分别有来自德国、美国、英国、新加坡、瑞士等十余个国家的机器人及智能装备产业的专家学者、企业代表,开展了四个主题的演讲讨论:迎接"机器人时代"、服务机器人产业分析、德国工业 4.0 专题、机器人与智能制造。论坛期间企业高层之间进行了题为"中国机器人及智能装备产业发展"的圆桌对话。

本着"开一次会议,培育一个产业"的目的,我们与国家级天府新区签署了"机器人及智能制造产业创新示范基地"、"工业 4.0 创新示范中心"、"智能制造研究院"等系列合作协议,为地方培育和发展机器人等智能装备制造产业,找准了突破口,搭建了合作平台。

At the same time of the exhibition, 2014 World Robotics and Intelligent Equipment Industry Conference hold successfully. Many government leaders of Sichuan Province and municipal government leaders of Chengdu presented this conference and gave an opening ceremony speech. Ms. Zhang Meiying,the Vice Chairman of 10th &11th CPPCC, presented this conference and gave a thematic speech. Mr.Lin Zuoming, the chairman of the board of Aviation Industry Corporation of China, attended this conference and visited the exhibition.

In the two-days conference, famous experts and enterprise representatives from German, America, Britain, Singapore, Switzerland attended this forum and made discussion about "the age of robot", service robots, the industry 4.0, robot and intelligent manufacturing. Representatives present in the meeting talked about the development of robotics and intelligent equipment in China in the round-table conversation.
